Environment

10 **La nostra è una terra fortunata.
Ours is a very fortunate Region.
Notre région est une terre riche.**

La nostra è una terra fortunata. Qui sono nati celebri architetti e capaci artigiani, raffinati pittori e scultori, insigni musicisti e compositori. In ogni luogo c'è una bellezza creata dall'abilità e dal genio dei nostri Antenati. Nel 2019 le nostre Colline del Prosecco di Conegliano e Valdobbiadene sono state dichiarate Patrimonio dell'Umanità UNESCO. La ricerca del bello e dell'armonia è una nostra dote naturale.

Our is a very prosperous Region. Here many famous architects and skilled artisans, fine artists and sculptors were born. Everywhere you go, you can find the beauty created by the skill and genius of our ancestors. In 2019 the Prosecco Hills of Conegliano and Valdobbiadene were declared a UNESCO World Heritage Site. The search for beauty and harmony is our natural.

Notre région est une terre riche. Architectes célèbres et artisans capables, peintres et sculpteurs raffinés sont nés ici. Dans chaque endroit, il y a une beauté créée par l'habileté et le génie de nos ancêtres. En 2019, les collines du Prosecco de Conegliano et Valdobbiadene ont été déclarées site du patrimoine mondial de l'UNESCO. La recherche de la beauté et de l'harmonie est une qualité naturelle pour nous.

100% Made in Italy

Concept- Design- Made 100% in Italy
Ogni prodotto è progettato, concepito e realizzato totalmente in Italia per assicurare un elevato standard qualitativo.

Design and concept 100% made in Italy

Every product is designed and realized completely in Italy to ensure a high quality standard, with a unique technological know-how, pursuing a handcrafted ability combined with highly flexible and adaptable structures.

Design et concept 100% made in Italy

Chaque produit est projeté, conçu et réalisée totalement en Italie pour assurer un élevé standard qualitatif, avec un know-how technologique unique, en poursuivant une capacité artisanale combinée aux équipements hautement flexibles et polyvalentes.

Standard qualitativi d'eccellenza.
Aderire ai più alti standard qualitativi internazionali, garantisce prodotti progettati secondo i migliori criteri di funzionalità, ergonomia e design, consegne sicure e rapide e montaggi efficienti.

Excellence quality standard

Joining the highest International quality standard shall ensure products designed by the best functionality, ergonomics parameters; safe and fast deliveries and efficient assembly.

Standard qualitatifs d'excellence

Adhérer au plus élevés standard qualitatifs internationaux, assure produits conçus selon les meilleurs critères de fonctionnalité, ergonomie et design, livraison sûres et rapides et assemblages efficientes.

Ecologia e ambiente

Cosa significa eco-sostenibile? Sentiamo spesso parlare di eco-sostenibilità, ma in molti, hanno un'idea ancora molto vaga di cosa significa eco-sostenibile nello specifico. Eco-sostenibile o eco-friendly, consiste in una serie di comportamenti compatibili con l'ambiente circostante in quanto non ne usurpano le risorse. Chi sceglie di aiutare l'ambiente e quindi di essere eco-sostenibile, grazie ad una serie di piccole azioni giornaliere come ad esempio, ridurre gli sprechi, riciclare e riutilizzare, si contribuisce alla salvaguardia del pianeta riducendo l'accumularsi rifiuti nell'indifferenziato.

What does environmentally sustainable mean? We often hear talks about environmentally sustainable, but lots of people still do not have a clear idea about what environmentally sustainable means. Environmentally sustainable or eco-friendly, consist of a series of behaviors compatibles with the surrounding environment since they shall not encroach the resources. People who choose to help the environment and so to be environmentally sustainable, thank to a series of little daily actions like, cut down on waste, recycling and reuse, contributes to protection of the Earth reducing accumulation of mixed waste.

Qu'est-ce que cela signifie écologique? Nous entendons souvent parler d'écologique, mais dans de nombreux, ont un' idée vague de ce qu'est écologique. Écologique ou eco-friendly, consiste en une série de comportement compatibles avec l'environnement en tant que n'empiètent pas les ressources. Qui choisit d'aider l'environnement et ensuite d'être écologique, grâce à une série de petites actions journalières comme par exemple, réduire les gaspillages, recycler et réutiliser, on contribue à la sauvegarde de la Terre en réduisant l'accumuler des déchets mixtes.
